Project No. 656 was created for repairing damage done by the cloudburst of May 3, when highways in the North District were washed out. \$8,000 of Federal funds were available, and much work was done on the Chase Road, Whiteface Road, Israel Mt. Road, Basket Street and on Rock Maple Ridge. Above account represents the Town's outlay for materials, the payrolls being handled by W. P. A.

This project built a much-needed hose drying tower at the fire station, and an addition on the west end of Town Hall to enlarge the stage and provide storage space for wood. The entire interior of the hall was cleaned and re-decorated. This addition will be appreciated by all those who take part in local plays, and also by all who feel a sense of pride in having an attractive hall for public gatherings.

TOWN OF SANDWICH

SANDWICH CHAPTER OF THE AMERICAN RED CROSS

The main efforts of the Sandwich Chapter of the American Red Cross during the past year have been devoted to the raising of funds for the New England flood disaster of March, 1936. The people of this town were very responsive. During the year the Red Cross helped various needy families with shoes and clothing; supplied the services of an eye specialist together with much needed glasses, to a child. Voted to give \$10 for hot lunches during the winter months in the Center School; no dental clinic was held, but some needed dental assistance was given.

Signed,

IDA L. ROGERS,
Secretary.

TOWN OF SANDWICH

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Sandwich qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixth day of March, 1937, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will raise and appropriate the sum of \$12,370.00 for the support of elementary schools and the payment of statutory obligations.
10. To see if the district will authorize the School Board to use the balance of the foundation and chimney appropriation of 1936 with school fund note and dog tax of 1937-38 for the following improvements:
 - (a) Grading North Sandwich and Lower Corner School yards.
 - (b) Enlarging Lower Corner School wood shed and improving toilets.

REPORT OF SCHOOL NURSE

All schools in Sandwich and Quimby have been visited regularly.

One pupil has been fitted with glasses and treated in Laconia by Dr. Hernandez. Also a tonsilectomy was made possible by the generosity of the Red Cross. The same organization has also made possible the completion of dentistry among the children.

Dr. Arthur Pottle of Meredith has considerably opened his office one day a week to the school children of Sandwich, giving very substantial reductions in his charges. This should make it possible to have all children complete necessary dental treatment. Our grateful thanks are due all those kindly people who have assisted us with transportation.

It is regretted that measles have been among us.

The great interest of the people in the good schools has made serving you a pleasure.

Respectfully submitted,

EVA M. NELSON.

SUPERINTENDENT'S REPORT

I herewith submit my third annual report as superintendent of schools.

Sandwich schools are going well. The old saying, "Hitch your wagon to a star," has lately been changed to "Hitch your wagon to the next job in hand." Doing that job as well as you can is what brings competence, character and happiness. Schools are aiming to fashion character as well as intelligence, and earnest, untiring effort on the part of pupils is essential. Parents and teachers should co-operate to bring about the best results. Education today is looking at the side of service, asking how young people can become helpful in the community. The great world need at present is for real, intelligent unselfishness among nations and individuals. In the country at large, it is said that half the parents of pupils now in high school had, themselves, no high school education. Thus parents are pushing their children up to greater accomplishment. Boys and girls should appreciate this and give their best efforts in school work.

I wish every child could have educational activities in the home to correlate with school work, such as writing friendly letters, keeping the family budget account, measuring the wood-pile and keeping the family gasoline bill. Children do not have opportunities to apply the knowledge gained at school. The Quimby School offers such opportunities in a special way through the required home projects in agriculture and home economics. Sandwich is fortunate to have such a school under the charge of Headmaster Harold F. Presby who comes well recommended and who has made a good start.

The elementary schools are under the care of the same teachers as last year and good results are being accomplished. Several of the schools have been broken by epidemics, but care has been exercised by the nurse in determining exclusions. Such epidemics occur in all school systems from time to time.

Health Work

The school nurse's work is under the care of Miss Eva M. Nelson, R.N., who brings to the schools a wealth of experience and training. Miss Nelson saw service in the World War under very different circumstances and has had long experience since in school work. Pupils have been examined and defects checked.

TOWN OF SANDWICH

Emphasis has been given this year to the correction of dental troubles. Miss Nelson's report is appended.

Repairs and Equipment

The school board very wisely looks after the up-keep of school property. During the past year two chimneys have been rebuilt, underpinnings repaired, a new entrance hall has been constructed at Lower Corner and the halls painted at the Center School. Minor repairs and cleaning have been checked. Two sanitary sinks have been installed with help of the schools and maps provided in two schools.

Visual Education

The work with motion pictures has been continued with public exhibitions in the Town Hall and special instructional reels in the schools. Among the pictures shown were "Robinson Crusoe," "George Washington, His Life and Times," "Safety," "Overland to California" and "The Arid Southwest." This work seems to be helpful and interesting to the pupils.

State Aid

The school board has wisely approved the plan of accepting state aid for the Sandwich schools. This is especially commendable in view of the fact that, in the near future, Sandwich valuation will be noticeably reduced.

Statistics

Last June we graduated a class of nine from the eighth grade: Sylbert Ainger, Vida Burrows, Delphine Campbell, Pauline Elliott, Marguerite Jackson, Mary Knox, Edna Nudd, Kenneth Smith and Arnold Robinson, all but one of whom entered high school.

For the year ending June 30, 1936, we had an average attendance of 115.4, an average membership of 120.6 and a percent of attendance of 95.7. This is encouraging, as it is a gain of nearly two points over the preceding year. Schools having an attendance of 95% or over during the last year are as follows:

Chick's Corner	97.8%
Sandwich Grammar	96.6%
Whiteface	96.6%
Sandwich Primary	95.7%
Lower Corner	95%
